

JUN 29 1951

The Honorable Paul H. Douglas
United States Senate
Washington 25, D. C.

Dear Senator Douglas:

Thank you for your memo of 25 June 1951, with the attached letter from [redacted] who is interested in employment with this Agency.

For reasons of security, there is very little detailed information which can be made available as to specific qualifications for employment here. Two qualifications which are helpful, however, are considerable experience in the field of intelligence and detailed knowledge of specific countries or areas abroad.

We are always interested in specially qualified personnel and should like the opportunity to consider the qualifications and background of [redacted] in the light of current requirements. If you will have him complete the enclosed forms, you may be assured that they will be given careful consideration when they are returned.

In accordance with your request, I am herewith returning [redacted] letter to you.

Sincerely,

SIGNED

W. B. Smith
Director
